

SMILE COMMUNITY HIVE FUNDING SUPPORT

Smile Community Hive is supported by East Riding of Yorkshire Council to help charities and volunteer groups succeed. The Hive is completely free to join and provides access to vital services to enhance the hard work you do.

Our aim is to help organisations gain the vital funds needed to remain active in their community.

Once your voluntary group is established and you're ready to develop, you might need to apply for external funds.

Funding applications can range from a brief letter to a small charitable trust, through to complex, multi stage bids to larger foundations or statutory funders.

Our funding advice and support can help your organisation blossom.

Smile Community Hive is run by the HEY Smile Foundation. For the last 10 years we've equipped local charities, volunteer groups and community groups with the tools and confidence to face the future stronger and more resilient.
