

MANAGING SAFEGUARDING

THE HIVE PROVIDES ACCESS TO VITAL
SUPPORT SERVICES FOR MANAGERS AND
TRUSTEES THAT HELP KEEP CHILDREN AND
VULNERABLE ADULTS SAFE.

Safeguarding services can support your
safeguarding management by:

- Working with you to ensure your internal safeguarding operating procedures are compliant with the most recent legislation and statutory guidance.
- Supporting you with developing robust monitoring and auditing of internal safeguarding issues.
- Provide guidance on managing allegations against staff and volunteers.
- Helping you ensure your staff, volunteers and service users are safe by supporting your organisation in maintaining robust safeguarding.

SMILE COMMUNITY HIVE SAFEGUARDING SUPPORT

Smile Community Hive is working in partnership with Humber Teaching NHS Foundation Trust and East Riding of Yorkshire Council to help charities and volunteer groups succeed. The Hive is completely free and provides access to vital services to enhance the hard work you do.

Our aim is to help organisations provide safe services and experiences for children and vulnerable adults, whilst empowering them to achieve their full potential.

Whether you are starting from scratch or have an established procedure in place, we are ready to offer training and advice to your Trustees staff and volunteers.

Smile Community Hive resources and training are free to all groups supporting the community of East Riding.

Smile Community Hive is run by the HEY Smile Foundation. For the last ten years they have equipped local charities, volunteer organisations and community groups with the tools and confidence to face the future stronger and more resilient.

WHAT CAN WE DO

THE HIVE PROVIDES ACCESS TO VITAL SERVICES THAT HELP KEEP CHILDREN AND VULNERABLE ADULTS SAFE.

- Our safeguarding consultancy service will provide bespoke support and feedback on safeguarding for your organisation or group.
 - No group is too small to receive help and support from the service. Please make contact and we will do our best to meet your safeguarding needs.
 - All our safeguarding training is incremental, each course building on the foundations of the previous level.
 - We have a blended approach to learning. Some of our training is eLearning for both adults and children. Our adult safeguarding offer includes three levels of face-to-face training and we also have workbooks and reading material.
