#### **Areas covered**

Projects must be working in, or serving, one of Humber, Coast and Vale's six 'Places':

- North East Lincolnshire
- North Lincolnshire
- Hull
- East Riding of Yorkshire
- Vale of York
- North Yorkshire

#### **Description**

We are seeking to fund projects that improve people's mental and physical wellbeing through activities that occur outdoors and in nature. The Green Social Prescribing Blossom Grant welcomes applications from locally trusted groups that have the ambition to become future leaders in their field, but require the development of a specific skills and resources to flourish. They will have the ambition to play a future strategic role in developing Green Social Prescribing in their local area.

This funding round has an allocation of £60,000 and we welcome applications of £1000 to £10,000 from across Humber, Coast & Vale. For more information on our 6 places visit [www.humbercoastandvale.org.uk/where](http://www.humbercoastandvale.org.uk/where)

#### **Projects must:**

- Focus on supporting adults (18+).
- Take place in the outdoors / nature.
- Support the mental and physical wellbeing of individuals taking part.
- Link with local healthcare systems such as Social Prescribing.
- Be prepared to receive referrals from healthcare partners as part of the wider Humber, Coast and Vale Green Social Prescribing programme of works.
- Demonstrate how their activity will be monitored and evaluated.

#### **Activity proposals can also include an itemised budget to help improve:**

- Access to training for their volunteers / staff in order to deliver safe and engaging activities.
- Systems to support the planning of activities and measure impact.
- Equipment to enable inclusive activities.

#### **Project proposals should also demonstrate:**

- A commitment to learning and development.
- A clear understanding of the project's legacy.
- They are open and accessible.

- They help to prevent admission to NHS facilities through early or alternative interventions to clinical need.
- They seek to remove health inequalities and disparity in health outcomes, with a focus on diversity in the population.

Successful projects will receive funds in January 2022 and must complete required project delivery and monitoring no later than March 2023 unless otherwise agreed.

**Application Process:**

If you would like to have a chat about your project idea before completing an application you can speak to Anthony Hurd, Programme Manager (Green Social Prescribing), on 07874 865284.

Applying organisations can register on [www.beecan.org](http://www.beecan.org) and submit their application using the online form within the published deadline. For accessibility requests or queries, please contact [GreenSP@heysmilefoundation.org](mailto:GreenSP@heysmilefoundation.org).

Alternatively, an electronic version of the application form is available in Word format, alongside copies of the Grant Guidance document, Grant Policy and Frequently Asked Questions. This can be requested by emailing [GreenSP@heysmilefoundation.org](mailto:GreenSP@heysmilefoundation.org) or downloaded from [GREEN SOCIAL PRESCRIBING PROGRAMME - HEY Smile Foundation](#).

Submitted applications will receive an initial assessment to ensure the proposal and applying organisation meets the funding criteria. Organisations may be contacted to clarify any initial queries before going to the assessment panel.

The assessment panel will include representative from the Social Prescribing, Mental Health, the outdoors sector, the active sector, alongside those with lived experience. The decision made by the panel is final.

If applications are approved, a Grant Offer letter will be sent via email for an accountable person to sign. The completed document must be returned via email or post, before funding is released.

If unsuccessful you will be advised of the reason, and if appropriate, signposted to another opportunity.

At their discretion the assessment panel may invite groups to attend a meeting and present their proposal.
