“ We supported **over 600** families with food, toys, toiletries and so much more. A massive thank you for the gifts and chocolates you donated. This year we have seen an increase in people and families struggling due to rising rents, mortgages and utility bills, as well as health conditions, which has resulted in low income. A quote from one lady said “without your help at Cherry Tree my family would not have had a Christmas, the toys and selection boxes made a difference to us.”

Beverley Cherry Tree ”

“ Thank you to HEY Smile Foundation for your donations and partnering with us during Christmas. The funds received were a nice comfort because of the increase in costs. This meant we could plan appropriately and support more of our beneficiaries this Christmas.’
