Keep your eyes peeled for our Christmas Appeal launching later this year!

A big thank you to our incredible supporters!

“The One Point Foundation is proud to support HEY Smile Foundation’s Easter Appeal, as it allows us to partner with great local charities. Supporting our local communities and helping bring a little joy and comfort to those who need it most is at the heart of what the Foundation do, and we are delighted to play a small part in spreading some cheer this Easter.”

The One Point

“We would like to thank both Hugh Rice and N3i for their generosity in donating us Easter Eggs for our Easter Family Day. This will help our fundraising activity greatly on the day and allow vital funds to come straight back into the charity to help us continue our work in supporting veterans and the armed forces community. Thank you to HEY Smile Foundation for organising the collaboration.”

Poppy Hull4Heroes

“We’re so glad N3i could get involved with the Smile Easter Appeal. It felt like a simple way to make a difference to people and it’s always great to support something so positive right here in our community.

Hull4Heroes does incredible work, and their mission really resonates with what we care about. It was a pleasure working with the Smile Foundation to make this happen.”

Kev & Dave, N3i

“We were absolutely delighted to be able to support with this years’ Smile Easter Appeal and to be matched with such a fantastic charity. We love to support this appeal as it’s something that all of our colleagues can get involved with, and it’s lovely to see the success with the Charity too.’
to those who need it most.”

Amber, Hugh Rice

“We wanted to support the Easter Appeal as it’s a meaningful way to bring a bit of joy and comfort to others in our community who may be going through a difficult time. Small gestures like donating Easter eggs can make a big difference as these treats mean a lot to people who often feel separated from ‘normal’ life. Something as simple as an Easter egg helps them feel included and it’s great to be part of something that helps create positive moments and shows kindness to those who need it most.”

Helen, H&H

“We were proud to support the Easter Appeal to help ensure local families could still enjoy a small Easter treat. Supporting our community, especially at challenging times, is something that’s really important to us.”

Mitsubishi

“The donation we received helped us put on our fantastic easter egg hunt, which in return helps us raise money to go back into our Youth Club & Nature Park, for things like the upkeep and insurances.

Easter is our biggest event of the year and biggest fundraiser, bringing in around 500 people, so every donation helps our small charity, massively. Thank you!”

We can't Smile without you!

"At Vanguard Healthcare Solutions Limited (Hull), we work in partnership with healthcare providers to deliver flexible clinical infrastructure and services. Our focus is on increasing capacity, helping to improve health outcomes and supporting patient pathways across the communities we serve. A reason we chose to support Hey Smile Foundation is because of their strong relationships with the NHS and voluntary sector, making them an ideal partner to ensure our donation would have a positive local impact. Following the success of our Christmas appeal, we were pleased to organise a further charitable collection to mark Easter.

We are delighted to support Endike Community Centre through this initiative. The centre plays a vital role in supporting people within the local community, and this donation is a small gesture of appreciation for the important and selfless work."

Vanguard Healthcare

"The Easter eggs were gratefully received by the children of families we support. Many parents commented it was a relief they didn't have to find the spare money to be able to treat their children at this time and it meant these children didn't miss out on Easter treats. The Easter school holidays are always a more expensive time for families, and any funds tend to be stretched even more. Therefore, it is donations from organisations like yourselves that are really appreciated by us and the families we help."

Thanks to employees at Mitsubishi Chemical Group in Hull for the fabulous donation of Easter eggs. Absolutely guaranteed to put smiles on the faces of many children living in poverty. Thanks also to HEY Smile Foundation for facilitating this seasonal donation programme."

East Yorkshire Foodbank

Easter is a time of renewal and compassion, and your generosity embodies that spirit in a powerful way. We are deeply grateful for your commitment to our mission and for standing with us in making a positive impact. Wishing you a joyful and peaceful Easter season."
